Frequently asked questions

What kind of support will I get if my idea is selected?
The selected social entrepreneurs will receive grant funding of up to **USD 17000**, business skills development, network & media exposure, strengthen research capabilities, opportunity to be a part of the Jacobs Learning Minds network, credibility and access to a network of Jacobs Foundation researchers, World class coaching and mentoring, experts and funders. Possible international travel to participate in Jacobs Foundation programs.

How many projects will you support?
We will select 10 social entrepreneurs into the Scaling Readiness Program and they will receive grant funding as well as other developmental support to continue growing over a two year period.

How will you choose who gets the funding/support?
We are looking for exceptional social entrepreneurs with great creative and innovative ideas that can improve education for many children through teaching and learning. We have a rigorous selection process where the selection team will choose the most creative and innovative solutions that will improve the quality of education for children in Ghana. The applicants that make it through the screening stage of the application process will be invited to a jury interview.

Can I apply with more ideas than one?
We allow only one idea per teacher. Choose the idea that is most effective, that you believe in the most and are passionate about

Is there a limit to the length of the application?
Yes. Please complete all the boxes provided with relevant answers on the online application form. You should not write or type beyond these boxes. We ask you to keep your answers short, concise and to the point.

How do I know if my application has been submitted?
You will receive an email confirmation after submitting your application.

When will I know if my application is successful?
If your application makes it through the first selection you will be notified via email or a phone call to inform you of the next steps.

I'm not sure how to answer a specific question. I don't understand what the question is asking for?
