

VISION

A WORLD WHERE ALL CHILDREN REACH THEIR FULL POTENTIAL

Program focus on financial sustainability of Change Leaders.

Partners team revitalise co-founders and win 1 new corporate partner (more than one country and one year) & dialogue with major institutions.

One vibrant Reach for Change supported by competency framework & people team- our team develops and works cross-sector.

Our thought leadership on

1. social impact
2. multi-sector partnerships
3. systems-change is launched through SIR, advisory boards and media.

Agile operating model supported by new systems and processes.

2018

One Reach for Change

RELEVANCE:

Our impact solves the most pressing needs for children & youth, through our local knowledge and global know-how we are thought leaders.

2019

Vibrant programs and impact

BIG THOUGHTS

Cross-regional programs being run & we support our Change Leaders after incubator.

Won at least one institutional anchor partner and demonstrate global best practice of partnerships and campaigns.

Impact up through Change Leaders that scale and reach financial sustainability supported through virtual programs and a smart and agile team.

SMART BRAVE

AGILITY:

We learn and adapt to changing environments and consistently work to scale and optimise our programs and impact.

PASSIONATE

Local market know-how and global collective lessons show-cased through global portfolio of Change Leaders & we bring them together for eg in a global conference leading to support from more long-term partners.

Three regional hubs with shared resources with a mix of remote and local programs that tackle most pressing issues.

Rapid-scale program in Ethiopia and Innovation for integration has given us key strengths that to develop into other thematic programs. that we can also leverage and support portion of Change Leaders in leveraging social impact capital.

Key learnings through developing the eco-system of entrepreneurs in our markets is leveraged to build new partnerships and new models of support for Change Leaders.

Dialogues with media, government and stakeholders have led to systems-change.

Share our learnings

2020

SUSTAINABILITY:

Our one Reach for Change team can develop and thrive through diversified and sustainable partnerships and an agile and efficient operating model.

2021

World-class Reach for Change

We run world-class incubators and co-creation labs.

Innovative programs contribute to most pressing issues of children today and contribute to the Sustainable Development Goals.

Globally recognised brand is game-changing and we are the go-to partner for corporates, governments, institutions and media.

World-class team with local know-how and global best-practice is underpinned by a mix of sustainable and engaged partners that support our agile operating model.

Mission: to unleash the power of entrepreneurship and innovation to create a better world for children
